MEMORANDUM

DATE: JUNE 28, 2022

TO: MAYOR AND CITY COUNCIL

FROM: GREG GRAMMER, CITY MANAGER MICHAEL C. WHITEHEAD, ADMINISTRATIVE SERVICES DIRECTOR

SUBJECT: PROPOSED BUDGET FISCAL YEAR 2022-23

OVERVIEW

This memorandum will serve to transmit the proposed budget for Fiscal Year 2022-23 at the June 28 City Council Meeting. The budget document incorporates direction from the City Council at the Budget Study Session held on June 14 and input from the Finance/Audit Committee, which met on May 26. Additionally, this document includes the estimated year end results for FY 2021-22

The proposed FY 2022-23 Budget reflects return-to-normal revenue in Building Permits, slight increases in Property Tax, and generally stable, yet increasing Sales Tax.

Expenditures include maintenance of essential programs and the use of special funds and the federal American Rescue Plan Act (ARPA) funds on capital improvement projects, including street resurfacing, storm drain infrastructure, and park improvements.

Highlights to note include:

General Fund Operating surplus of \$2,097,734 or 20% for FY20-21; General Fund Operating surplus of \$2,047,347 or 19% for FY21-22; General Fund Operating surplus of \$672,542 or 7% for FY22-23;

Building Permit Revenues of \$3,192,099 for FY20-21; Building Permit Revenues of \$900,000 for FY21-22; Building Permit Revenues of \$900,000 for FY22-23;

Streets Resurfacing Capital Expenditures of \$656,172 for FY20-21; Streets Resurfacing Capital Expenditures of \$50,000 for FY21-22; Streets Resurfacing Capital Expenditures of \$1,260,998 for FY22-23;

Storm Drains Capital Expenditures of \$225,521 for FY20-21; Storm Drains Capital Expenditures of \$275,000 for FY21-22; Storm Drains Capital Expenditures of \$1,000,000 for FY22-23;

Park Facilities Fees Fund Balance of \$1,849,524 at 6/30/21; Park Facilities Fees Fund Balance of \$1,409,924 at 6/30/22; Park Facilities Fees Fund Balance of \$1,111,924 at 6/30/23;

General Fund Balance of \$4,390,412 at 6/30/21; General Fund Balance of \$5,482,758 at 6/30/22; General Fund Balance of \$4,409,882 at 6/30/23;

Operating Reserves of \$2,118,111 for FY20-21 Operating Reserves of \$2,166,113 for FY21-22 Operating Reserves of \$2,123,237 for FY22-23

Staff believes we have proposed a budget that reflects existing City Council policy, provides realistic revenue assumptions, and plans for responsible expenditures that benefit the community.

OPERATING REVENUES

Total General Fund Operating Revenues and Expenditures for FY 2021-22 are projected to be \$10,688,813 and \$9,161,466 (less special projects), respectively, with an estimated net positive operating result of \$2,047,347 (19%). This is significantly higher than the projected 4% surplus estimated when the budget was adopted in June 2021, due primarily to higher-than-expected receipt of ARPA Funds (\$1,927,645). Despite the COVID-19 shutdowns and then the reopening of businesses, the City's sales tax revenue increased slightly from prior fiscal year to an estimated \$1,470,059. Total property tax revenue for FY 2021-22 is estimated at \$3,843,211, up approximately 4.2% from the previous fiscal year.

General Fund unassigned fund balance is expected to be \$2,166,113 at June 30, 2022, and \$2,123,237 at June 30, 2023, while other assigned reserves have been adjusted to reflect budget priorities for equipment replacement, building maintenance, and capital projects.

Major revenue assumptions are derived from conservative estimates based on actual revenues received to date. Sales tax is expected to increase over the next two fiscal years as projected by Avenu Insights & Analytics, the City's consultant. Property tax revenue continues to steadily increase each year based on assessed value calculations provided by the Los Angeles County Assessor's Office. The property tax rate, as provided for under California law, is limited to 1% of market value plus other increases approved by the voters. The City's share of property tax is 7% of the 1% or .00067. Property taxes are levied by the County Tax Assessor and shared among local taxing authorities.

Park Facilities Fees have an estimated ending Fund Balance of \$1,409,924 in FY 2021-22, providing for several citywide park improvement projects including new playground equipment at Rockbluff Park, the development of "Butcher Park" at the northeast corner of Palos Verdes Drive North and Palos Verdes Drive East, and the preparation of plans and specifications for the proposed George F Canyon Nature Center. The projected Park Facilities Fees ending Fund Balance for FY 2022-23 is \$1,111,924.

Special fund revenues (Proposition C, Measure R, Measure M and SB 1/RMRA,) continue to remain strong, allowing the City to meet or exceed recommendations for annual street resurfacing as identified in the City's Pavement Management System report. Measure W funds also help offset costs associated with stormwater permit requirements and City Council's policy of chemical-free weed abatement.

Public Works Capital Improvements include \$1,260,998 in FY 2022-23 for street resurfacing work and \$1,000,000 for storm drain infrastructure. An additional \$480,000 has been assigned in FY 2022-23 to Capital Projects reserves, which can be used for streets, storm drains or any other capital project. In addition, Capital Improvements for maintenance and repairs of the City Hall and Council Chamber buildings has reserves of \$510,000 for FY 2022-23.

OPERATING EXPENDITURES

Expenditure assumptions include maintaining existing service levels in most major categories, but with a budget increase in annual tree trimming to \$175,500. This reflects the state's Prevailing Wage requirements for various categories of tree workers and allows the City to continue its tree pruning schedule. Landscape maintenance services are estimated at \$279,611; street sweeping services are estimated at \$83,000; and road repairs, restriping and sign maintenance services, provided by Los Angeles County Department of Public Works, are expected at \$155,000.

Aside from personnel costs, public safety in the amount of \$2,636,643 for FY 2022-23 represents the largest percentage (30%) of the City's operating budget, including \$2,513,668 for the City's regional share of patrol services provided by Lomita Sheriff's Station under an agreement with Los Angeles County. This amount includes the proposed 2% increase in the annual contract city rate for the coming year. The Liability Trust Fund surcharge remains at 11%. Also included under public safety is \$19,500 for the City's annual share of two School Resource Officers (SROs), which has been formalized in a Memorandum of Understanding (MOU) between the Palos Verdes Peninsula Unified School District and the four Peninsula cities. This amount has been offset by the City's portion of a California Department of Justice Tobacco Grant in the amount of \$4,631.25 over the next three fiscal years.

PERSONNEL

Employee salaries are estimated at \$2,223,959 for FY 2022-23, which includes a 4% Cost-of-Living Adjustment (COLA) increase for employees and up to a 2.5% merit increase to award employees based upon their respective performance evaluations. All personnel items are reflected in salary resolutions and MOUs, which the City Council will adopt separately. Last year's FY 2021-22 budget reflected a lump sum contribution to PERS in the amount of \$500,000 to reduce the City's Unfunded Accrued Liability (UAL)

balance. This represented the third \$500,000 payment in a three-year plan to pay down a large portion of the PERS UAL to reduce long-term pension costs. As a result of the City Council's action, along with CalPERS's 21.3% investment return for FY 2020-21 and a reduction of the CalPERS discount rate (assumed rate of return) to 6.8%, the City's CalPERS funded status is expected to be an impressive 93.3% as of June 30, 2022.

PERS FY 2021-22 rate for Tier 1 employees (those hired prior to July 1, 2011) will be 11.61%. Rates for Tier II employees (those hired after July 2011) will be 9.3%. Rates for Tier III employees (new to PERS after PEPRA) will be 7.76%. It's worth noting that the City does not pay into Social Security for PERS benefitted employees, which is currently 6.2% for other employers. For a history of the City's personnel costs (FY 2006-07 – FY 2022-23) see page V. Note that employee wages and benefits have remained fairly stable. However, the Benefits line reflects the required annual PERS UAL payment, which will continue to ramp up over another year. Note that benefits as a percentage of wages and of total compensation are trending downward primarily due to the final payment of the Pension Obligation Bond in FY 2021-22.

Additional changes to personnel for FY 2022-23 include three new positions: Senior Accountant in the Administrative Services Department; Administrative Analyst in the Community Development and Public Works Department; and Lead Worker in the Maintenance Division of the Community Services Department. Adoption of these new positions provides opportunity for current employees to continue their development while achieving overarching succession goals and does not add to the overall employee count of the organization.

FUND BALANCES

City Council Fund Balance Policy requires \$1.2 million to be allocated to an Emergency Reserve, with additional Unassigned Fund Balance allocated toward Contingency Reserve such that the combined total of the Emergency Reserve and the Contingency Reserve much represent at least 25% of operating expenditures. Any amount above the required 25% combined Emergency and Contingency Reserve is available for any use designated by City Council.

CITY OF ROLLING HILLS ESTATES

FUND BALANCE POLICY

INTRODUCTION

The purpose of this document is to state the policy goals of the City of Rolling Hills Estates' General Fund reserves, and the budgeting practices that maintain such reserves. Although there is no formula that defines a completely adequate Fund Balance, a conservative approach should enable the City to finance its operations and meet unplanned expenditures without having to incur short-term debt or raise new revenues.

These policies are intended to provide guidelines for budget decisions as to the appropriate use of General Fund resources and the maintenance of adequate reserves for contingencies, emergencies, capital improvements, and other such uses as determined by the City Council. After amounts projected to be available from the year-end fund balance of the General Fund are allocated to Assigned categories, the remaining amount, referred to as the Unassigned Fund Balance, will be reserved for contingencies as further set forth below.

STATEMENT OF FINANCIAL POLICIES

1. BUDGET POLICIES

- a. The Adopted Budget will be balanced, so that current-year operating revenues will sufficiently fund current-year operating expenditures. Operating revenues are defined as both (a) current year revenues and (b) revenues generated in prior fiscal years, and if in excess of the amount required to fully fund Reserve targets, designated for specific operating or capital uses in future years. Operating deficits are normally contrary to City policy as well as reasonable financial prudence.
- b. Capital improvements will be funded by anticipated current-year operating surpluses and reserves available from prior years. The City will favor pay-as-you-go financing for capital project expenditures, minimizing its use of debt to only extraordinary circumstances.
- c. One-time revenue and fund balance will be used to finance one-time expenditures, except under the most extraordinary of circumstances.

- d. Specified grant revenues in Special Revenue Funds shall be used to minimize the cost to the General Fund of both qualifying operating and capital expenditures.
- e. The Enterprise Funds of the City shall be essentially self-supporting, without need of General Fund resources.

2. **RESERVE POLICIES**

- a. Available funding will be assigned for identified projects that are not appropriated in the current fiscal year, such as long-term street maintenance in accordance with the City's Pavement Management System, storm drain repairs, storm water management capital requirements, improvements to the City Hall complex and purchase of City fleet vehicles.
- b. No less than \$1.2 million will remain unassigned in the General Fund for an "Emergency Reserve" as a part of the annual budget.
- c. An additional amount will remain unassigned in the General Fund as a "Contingency Reserve" such that the sum of the "Emergency Reserve" and the "Contingency Reserve" will be no less than 25% of General Fund operating expenditures.
- d. All Fund Balance and reserve allocations are eligible for use at the discretion of the City Council at a time of unforeseen fiscal crisis. Such determinations will be made by the City Council on a case-by-case basis.
- e. In determining whether reserves meet the goals of this policy, they will be measured as a percent of General Fund operating expenditures. For this purpose, operating expenditures will exclude capital improvement projects as well as "Special Projects" that by their nature would not be considered ongoing operational expenditures in terms of either multi-year budget allocations, long-term value and/or useful life span. Examples of "Special Projects" would include but not be limited to such issues as General Plan update/revision costs, excessive insurance, judgment, settlement, mediation and other litigation costs, CEQA costs associated with large-scale projects outside the normal scope of expected Planning activity, and website and other information technology or social media design/upgrade costs.
